

# φ ΛΛPT

Unforced talk  
 key mindsets

Questions to make her feel comfortable

● Assume Interactions (rule of Delivance)  
 will go well

● Talk as  $\Lambda \rightarrow \Upsilon \Lambda$  Be upfront She must know this soon

# ★ Conversational Tactics

## • Conversational Threading

→ listen for key words and phrases

I want to Argentina last summer to study art

local uni      ↘ "I'm planning to go to Argentina next ..."  
                     ↘ "I like to travel a lot"  
                     ↘ "I want to study abroad"

→ multiple topics

---

## • The willingness to walk away

→ They are used to get her way

→ she needs to meet my standards

Self respect // value yourself more

→ Never compromise your values (values)

→ Be actually willing to walk away

I don't have to prove myself to anyone  
(Beyoncé's wisdom)

# True Confidence

↳ Investing less into another person's perception of you than in your own perception of yourself

(Don't) False Confidence

↓  
for others  
overcompensation

True Confidence (Heidi) (GD)

↓  
for yourself  
Inevitably controversial  
↓  
do not censor yourself

So Invest more  
In yourself

Knowledge

↓  
I'm not ashamed  
of my opinion

# Building Rapport

(That you wouldn't hurt her)

↳ mutual trust between two

persons regardless of how

long they've known each other

• Mirror body language (±)

• Simulate the feelings of rapport

|| Connection

• avoid formalities

(spontaneous)

(Don't try to be socially acceptable)

Power of words

ask question until

you find what she is primarily about

• Never Judge other's (her)

# Wireless

→ maximize looks

• looks matter but it's not everything

Good looking & attractive

• anyone can be

• Grooming

• Dressing

• Show off ..

STYL

Impassive

• Not show  
cuffs, pants  
wrists

• Pants never sag  
from waist

• Bottom of pants

just just what show

fit

Confidence By Program Exertion

Machine Gun

Colour psych → red

---

Not run out of things to say

→ story book

↳ so tell me what's your story?

→ ask why → store data → review arsenal

→ talk about what your passions about

→ let em talk about themselves

→ Show what interests you share

→ When sh asks about you

↳ tell arsenal of funny stories  
and with INTENTION and emoji

→ If conversation dies

↳ open ended questions

# The Vandyvas Approach

- Born dumb (head in between the line)
    - group settings → No go
    - head phone → No go
    - busy → No go
    - best when she alone and lonely  
(In social setting best)
  - lock-eye (They flirt by locking eyes)
    - ↳ hold eye for second
    - ↳ side smile thing
    - ↳ first to look away
  - If she's carrying a personal item ask  
questions about it
  - Compliment the character
  - laughter → one liners
- 

## Dating App 101

- Numbers game "get a girl's number"  
In 3-4 messages
- Bait <sup>hook</sup> <sub>on line</sub> → even backhanded compliment
- Push/pull → Don't Pick me Energy

→ assertive and Dominant  
↳ DONT Back pedal

→ Voice Manager

→ 4S \ 4S \ 10  
Body language \ Voice projection \ Shit you say

---

I saw you / you caught my attention  
// and I want to meet you // I had to introduce myself

eu te vi, vc chamou minha atenção  
e quis me apresentar // e quis me apresentar //  
e quis me apresentar, eu sou \_\_\_\_\_  
repeat name spelling it

---

cruc → é salteira?

heita → mãe na cultura (evil) rather
