

There is Nothing more necessary to appear
 To have Them appearing religious, in as much
 as man judge more by the eye than by
 The hand, Because it Belongs to everybody to
 See you and To fear To Touch you"
 Niccolò Machiavelli

Do The ends Justify The means
 IS Good a "State function"

anion : cogito

non cogito, res meum opus

$$G(A; I) = A \cdot I \rightarrow \text{Immun, Qor}$$

rectus

what i think is good

aut

sinister

what is fundamentally good
 does fundamental good exist

looking at the universe in a religious manner
 appears to yield yes

looking in a analytical manner - appear to yield
 tendency

↓
Can Good be a fragrant phenomenon?
And thus fundamental

Group Organization

1st way
a universal tendency
towards entropy
Programme

o "predetermined"
Path of
Good

human organize

Take a vulgar point approach

Thou shalt not kill *Primer de Vida*

Thou shalt not steal *Primer de Propriedade*

Thou shalt not commit adultery → *Primer de Verdade e compromisso de amor*

Thou shalt not lie *Primer de Verdade*
Not Deceive

→ Do not take by the back

→ cut way free

→ Give a good opponent → Give the opportunity
to secure your life and property

Tirar algo de alguém
sem consentimento
ou
agir para tirar
algo de alguém contra
natural intentions

Consent and
property are the
basis of human
law

(λ-da)μap)

In all of human
civilization

Consent and property
have been the basis
of human law

What is fundamental about consent
and property

Hugo Grotius approach By Richard Tucker
man has to alter or define something
because for it to be his property

Reciprocity Correlativity Thesis

To have a right requires a corresponding
obligation

Define right and wrong

and determine if the good functions as,
as a state function,
